

THE SIDE ROOM

EVENT SPACE

261 11TH AVENUE, NEW YORK, NY 10001

From its historic red brick façade and massive arched entryways to its magnificent wood columns, original steel girders and cavernous interior spaces, no other venue echoes the rich history and authenticity of Old New York quite like The Tunnel. One of the last vestiges of a bygone era, The Tunnel enjoyed a second life as a fabled nightclub and a popular backdrop for a number of cult films. It has now been transformed into an iconic events space reflective of the cultural vibrancy and limitless potential that characterizes West Chelsea today.

With its dramatic 20-foot ceilings, beautiful hardwood floors and capacity to host up to 1,500 guests, The Tunnel delivers its own unique brand of industrial chic for an eclectic array of events, including fashion shows, concerts, premieres, art exhibitions and product launches.
